Keys for establishing healthy boundaries--the bedrock of good relationships, maturity, safety, and growth for children and adults. To help their children grow into healthy adults, parents need to teach them how to take responsibility for their behavior, their values, and their lives. The authors of the Gold Medallion Award-winning book *Boundaries* bring their biblically-based principles to bear on the challenging task of child rearing, showing parents: * how to bring control to an out-of-control family life * how to set limits and still be loving parents * how to define legitimate boundaries for the family * how to instill in children a godly character
