BOOK SYNOPSIS

Easy to read and well-organized, CRIMINAL INVESTIGATION, 11th Edition delivers a field-based approach to modern investigative principles and practices that is strongly grounded in current research. Demonstrating techniques and practical applications, the book introduces long-standing tools, practices, and policies alongside the latest innovations in technology and science to give readers and future criminal justice professionals a broad perspective of criminal investigations today. Topics covered include D.N.A. evidence, terrorism and homeland security, the increasing standard of proof for stop vs. search/arrest vs. conviction, cybercrime, crimes against children, forensics and physical evidence, investigative photography and sketching, identity theft, white-collar crime, and ethics, among many others. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
