BOOK SYNOPSIS

This shocking and thought provoking account is the true story of emotionally lost children and how some found their way back. Like a diamond in the rough, all of the kids who killed were tough and protected on the outside while hiding a glimmer of promise inside. For many of these children, the Thomas's were their last hope. With the guidance of this courageous family, their stories of survival and victory break the unwritten code of silence about children without a conscience. Through therapeutic intervention comes the spellbinding metamorphosis of nine children. Although it stems from the deepest of human suffering, each shining triumph will leave you uplifted and celebrating life.
