## BOOK SYNOPSIS

Spurred on by overwhelming and ever-increasing debts, Emily White takes a job working in the first-class cabin on the prestigious commuter route from her home of New York to London with Crown Airlines. A gruelling transatlantic schedule means she is in the air nearly as much as she is on the ground and desperately misses her five-year-old son. On board she meets Olivia Lewis, who is a literal high-flying business executive with a weekly commute, a meticulous schedule, and terrible social skills. When a personal emergency brings them together, will Emily be able to swallow her pride and accept help from Olivia? And will Olivia be able to prevent herself from saying the wrong thing?
