BOOK SYNOPSIS

Isle Royale National Park in Lake Superior offers a unique wilderness experience. Unlike many national parks where tourists spend only a few hours gazing at the sights, Isle Royale visitors stay in the park for an average of four days. Each year about 17,000 people journey to this magnificent landscape, drawn by its half- million acres of remote trails and its delightful chain of a dozen lakes. Animal sightings are plentiful; the island is home to everything from beavers to loons, moose to wolves.

ISLE ROYALE NATIONAL PARK FOOT TRAILS & WATER ROUTES - Are you looking for Ebook Isle Royale National Park Foot Trails & Water Routes?
