## BOOK SYNOPSIS

Just Watch Me is a sassy selection of the very best erotica by women, for women. Hand-picked by Violet Blue from the Best Womens Erotica series, these stories should be read nice and slow so that every outrageous scenario can be savored. Sydney Beiers "Reading to Horst" follows an American woman living in Germany who conducts foreplay by reading aloud to a tourist from Anaïs Nins Little Birds. In Alison Tylers "Four on the Floor," a pair of lovers hunt for and conquer another couple. And Elizabeth Coldwells "Heat" describes the fierce affair between a barmaid and her brutish boss, a man she doesnt even like but who sets her heart pounding. Intended as inspiration for bedroom adventures, this heady collection of smart, sensual erotic stories is filled with hair-raising, relatable encounters.
