BOOK SYNOPSIS

Revised and updated for its Fifth Edition, this best-selling text delivers a concise, easy-to-understand introduction to cardiovascular diseases. It is written by internationally recognized Harvard Medical School faculty and select medical students and specifically designed to meet the needs of medical students during their initial encounters with patients with heart disease. This edition has improved consistency of coverage and level of detail and enhanced illustrations. A companion website on thePoint will include the fully searchable text and audio heart sounds, plus an image bank for faculty.
