BOOK SYNOPSIS

FOREWORD BY CHER Bridgett Walther, astrologer to the stars, teaches you how to work with the traits of your sun sign (the good and the bad) to maximize your happiness in love, money, friendship, health, and the future. How does your sun sign influence who you are and the choices you make? Why does Scorpio want a corner office while Taurus would rather have a luxury vacation? Why does Leo excel at seduction while Aquarius is more interested in studying string theory? In the sassy, no-nonsense voice thousands of fans of her horoscopes in Elle have come to love, Bridgett Walther provides critical insight and useful advice for each of the twelve sun signs. For readers looking for a transformation to their best self, Walther shows you how to overcome hardwired traits and use planetary timing to your advantage in love, money, health, family, and the future. With a foreword by the one and only Cher, Conquer the Cosmos will appeal to everyone, from the seriously spiritual to those who are just plain curious.
